

SAUTER TVP.

SAUTER TVP-L.

Manual test stands for compressive force measurements, also with digital length measurement

Features

- Provides quick and consistent testing
- **High level of security** with repeated measurements
- **Provides maximum versatility** and precise measuring results
- **Slide construction** for distance measurement
- **Large base plate** with high versatility of fastening objects
- Can be used for force gauges up to 500 N (not included)

Technical data

- Maximum carriage height above base plate: 318 mm
- Max travel distance with one stroke: 78 mm
- Overall dimensions W×D×H 150×233×420 mm
- Net weight approx. 10,5 kg

TVP-L.:

- **Digital length meter**
 - Measuring range: 100 mm
 - Readout: 0,01 mm
 - Zero setting possible
 - Pre-length can be set manually
